① What are your responsibilities as a citizen of India

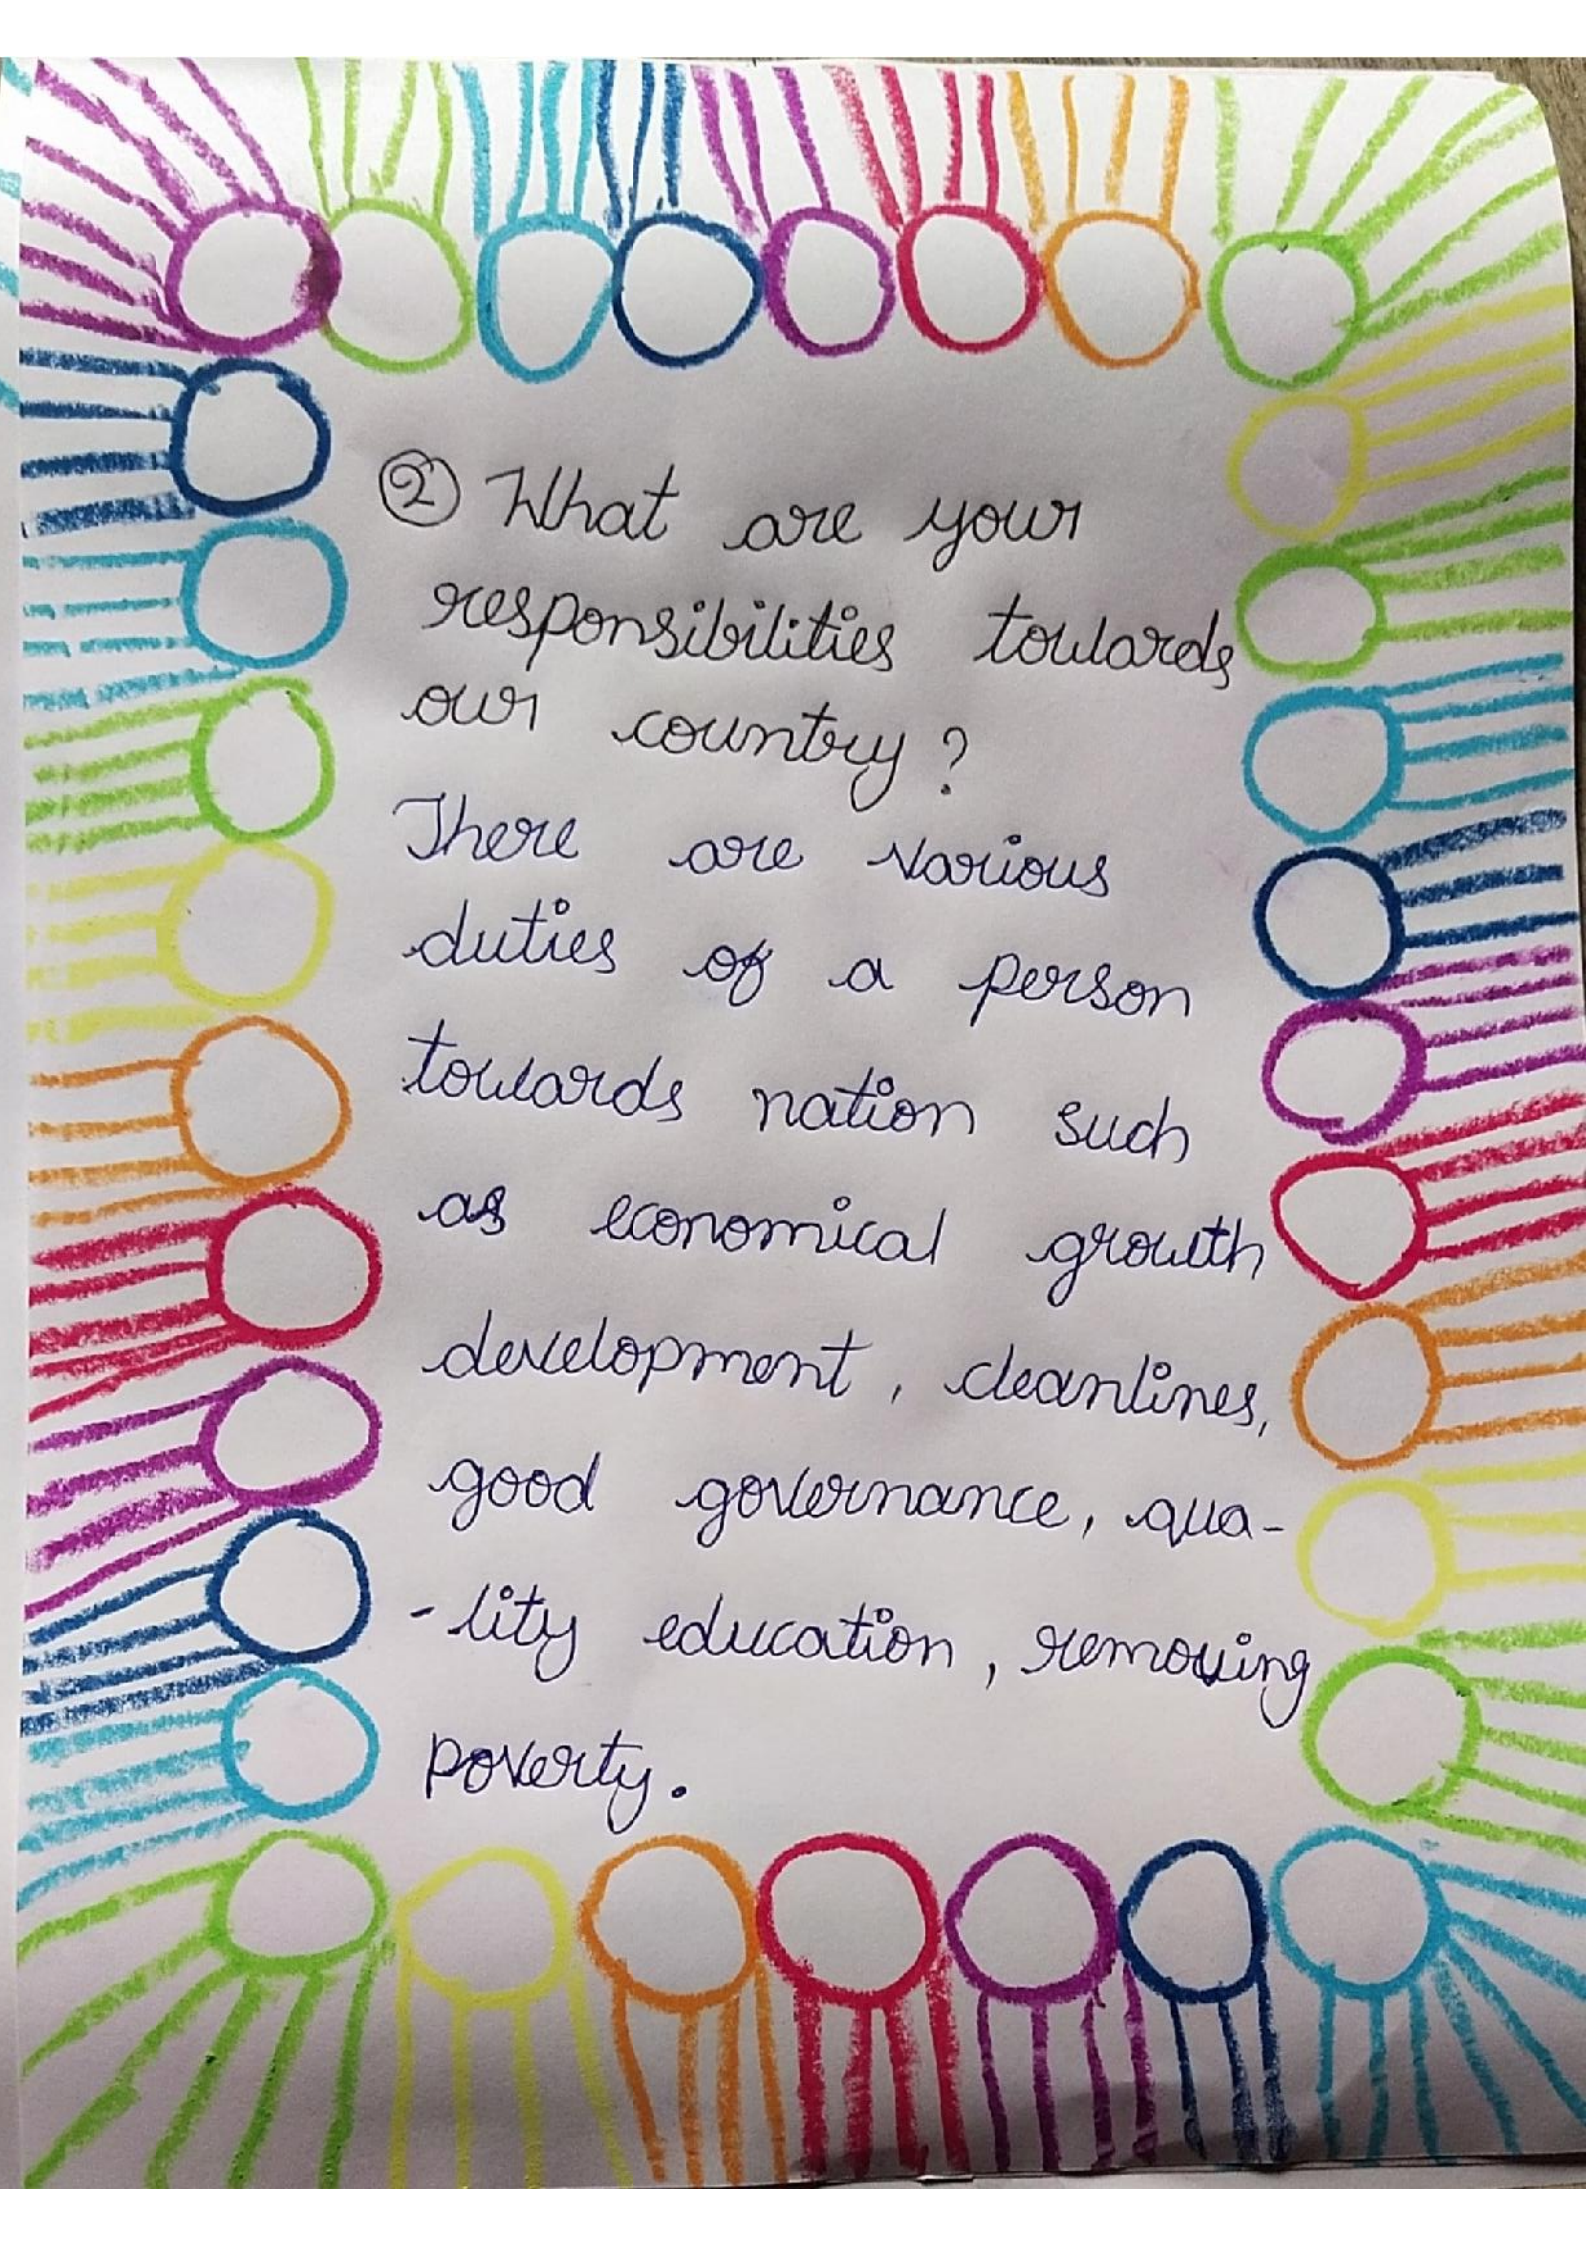

Being a citizen of India, some of the moral responsibilities and duties mentioned in the constitution are :- we must respect the national flag and national Anthem.

citizen should be their  
responsibilities to their  
nation.

Asserting that india be-  
-longe to every citizen  
of the country, regard-  
-less of his caste, religion,  
creed and community,  
deputy commissioner Y.S-  
-patil said that this  
very aspect makes india  
grate and unique.

② What are your responsibilities towards our country?

There are various duties of a person towards nation such as economical growth, development, cleanliness, good governance, quality education, removing poverty.
